

# GBC Men's Fishin' Trip

June 10-12, 2022

Plan now to attend the Men's Fishing Trip! Can't stay for the entire event? Come for a day or part of a day, whatever fits your schedule. It's a great way to spend time with friends and make some new ones. Bring your boys, your dad, your brother, your uncle, your neighbor, or a friend. It'll be a great time! Stay in a tent or in a camper. There will be fishing of all kinds; in boats, from the shore, and fly fishing in the lake or river. Holter Lake Campground offers excellent recreational opportunities. Activities in the area include camping, boating (motorized and non-motorized), fishing, water skiing, hiking, scenic/wildlife photography, wildlife viewing, and bird watching. The recreation opportunities in the area are truly boundless. So, pack some gear and some grub and come on out – you won't be sorry!
