

Winter Retreat 2022 Checklist

Clothing: Remember that this is a winter retreat in the mountains...during the winter! Please bring warm clothes. We will be able to go sledding, so bring your gloves, beanie, snow boots, snow pants, and winter coat. Make sure you have warm clothes for hanging out inside too! Consider including a pair of slippers or warm socks for around the lodge.

Sleeping: Bring a sleeping bag and pillow! You will be staying in a heated room but will still need those items.

Other: Bath towel and any toiletries! Don't forget your bible and any notepad and pens/pencils. You are welcome to bring additional snacks you might want for the weekend. We will stop at a gas station on the way, so bring money if you want to purchase anything.
