Guest Speaker-David Dyrud
Nav Neighbors

David and his wife Tracy have been married 34 years, and have 3 adult children and 4 grandchildren. David pastored a church in CO for 20 years that he and Tracy planted through the process of neighborhood disciple making. In 2015 God started stirring in David's heart to focus more on helping people who were not connected to any type of Christian community. David and Tracy connected with the Navigators in the Denver Metro area who were doing similar work. Eventually they joined the Navigators team in a full-time capacity; focusing primarily on making disciples within the neighborhood context and training others to do that as well. In December of 2022 David was asked to lead the Navigator Mission branch that focuses on neighborhood disciple making. His primary responsibilities are shepherding, training & resourcing the nearly 200 Navigator Neighbor staff, developing training materials, leading workshops, and leading the national Neighbors leadership team. David will share three messages that will teach, equip and inspire us as Christian neighbors.
