

Here at GBC we have an All Church Serve Day. On this Sunday, May 1st, Church will leave the building and serve in our community. There are a variety of projects available to serve in. We like to show the love of Christ to our community in a tangible way. This year we will be a large part of the community wide clean-up weekend, we will pick up trash and haul items for people, and we will prepare a meal for all the volunteers and put together gift boxes for the school, fire dept, police dept. and Ambulance workers as well. If you have questions, please call the church at 628-4978. We would love for full church participation. Children can work with their parents, but childcare will not be provided this year. Bring your family and join us in serving our community!!!
