### WHAT IS A DISCIPLE OF JESUS?

Rob Mahon and his wife Karen have six adult children and 11 grandchildren. They were married in 2015 after each of their spouses died in 2011. Rob came to faith at Baylor University. Upon graduation he served in Asia for four years with the Navigators. After returning from the foreign mission field, Rob served in collegiate ministry and trained future collegiate staff with the Navigators. Rob was loaned by the Navigators to serve on the pastoral staff at Hoffmantown Church in Albuquerque for eight years. Rob went on to labor in the NavWorkplace ministry and serve as city director for the Navigators in ABQ. Currently Rob is the Navigator Rocky Mtn Region Director and national director for NavWorkplace ministry. We will be greatly blessed to have Rob teach us from the Word of God as well as from his faithful and intimate walk with Jesus through many life and ministry experiences.
